Music of black composers - solo recital programme

This programme explores the music of black composers and soloists from the classical era through to the 20th century. The programme includes works by Chevalier de St. George and William Grant's emotive Violin suite. Jeff Scott's three movement sonata 'Transperencia' opens the second half before Beethoven's ever popular Kreutzer Sonata closes this exciting programme.

Chevalier de St George One of the 3 sonatas
for violin and piano
